Spring Into Opportunity with the Fleming County Chamber

Spring is just around the corner, and with it comes a season full of opportunity to shop local and support the businesses that make our community thrive. From Easter and Mother's Day to prom, father-daughter dances, vendor events, Father's Day, graduations, spring planting, and even spring cleaning — there is truly something for everyone. And with Small Business Month quickly approaching in May, there is no better time to be intentional about keeping your dollars local.

Our local businesses are ready to serve you, and your continued support strengthens the economic vitality of Fleming County.

Connections Over Coffee - We also encourage our members and community to join us for Connections Over Coffee, our **free** monthly **networking event**. These events take place at various locations and run from 7:30 AM – 9:00 AM. Stop by on your way to work, grab a cup of coffee, meet fellow Chamber members, and build meaningful partnerships. These gatherings are relaxed, welcoming, and designed to help foster connection and collaboration.

Northeast Regional Workforce & Leadership Opportunities - For employers, HR professionals, and business leaders, we encourage you to register for the Regional Workforce Conference: **Wednesday, March 25th**, 7:30am to 4:45pm at the Morehead Conference Center. This conference is a partnership between the Fleming County Chamber of Commerce and the Morehead-Rowan County Chamber of Commerce and will focus on workforce development strategies and resources for our region.

Additionally, the **5th Annual Women's Leadership Summit** will take place: Tuesday, March 24th, Crosspoint Community Church, Maysville. This summit will be hosted by the Maysville Area Chamber of Commerce. To register you'll need to reach out to the Maysville Area Chamber of Commerce.

Career Fair – If you are considering a job change or exploring a new career path, we invite you to attend our upcoming Career Fair hosted by the Fleming County Chamber of Commerce in partnership with TENC0 Kentucky Career Center, **April 9th** from 11am to 2:00pm, at Double S Entertainment. This event is **free** for job seekers as well as for those businesses looking to hire. We encourage you to contact us and reserve your spot to participate.

We Are Here to Serve - The Board of Directors and staff of the Fleming County Chamber of Commerce are here to serve our partners, members, and the broader community. We welcome your ideas and suggestions for future trainings, workshops, and special events you would like to see us host or sponsor.

Thank you for your continued support and investment in the Fleming County Chamber of Commerce. We sincerely appreciate the opportunity to serve you and your business as we continue working together to strengthen our local economy.

Business over Breakfast

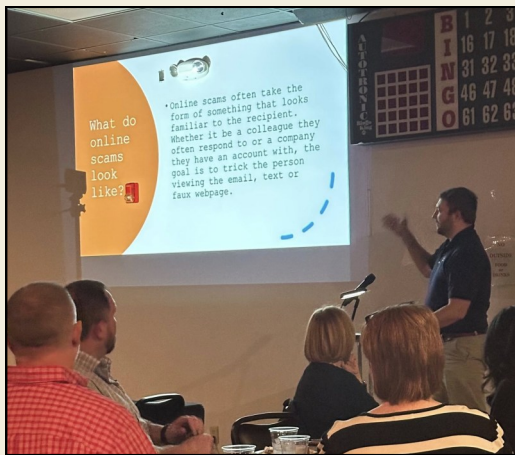

On Thursday, February 19, 2026, the Fleming County Chamber of Commerce kicked off the year with its first Business Over Breakfast event at Double S Entertainment.

Chamber President Cody Thompson welcomed attendees and extended a special thank you to Cody Shannon and his team at JB's Grill for providing a wonderful breakfast and for the usage of the facility.

Following breakfast, guests received updates on several upcoming Chamber events and were provided with a current list of Chamber Partners. President Thompson then introduced Branson Leet, Chamber Director and IT with Peoples Bank of Kentucky, as the featured speaker.

Director Leet shared valuable insight on recognizing fraud and scams in the workplace. From email and traditional mail to text messages, businesses and individuals alike can be vulnerable to those seeking to cause harm. His presentation offered practical tips to help attendees better identify and prevent potential threats.

If you are not currently a Chamber member, we invite you to stop by our office at 165 W. Water Street in Flemingsburg and learn more about the many benefits of Chamber Membership and Partnership.

Are you staying up-to-date on the many events, activities and happening taking place in our community and especially with our Chamber Businesses and Organizations?
