# Small Business Season

The Fleming County Chamber of Commerce would like to thank everyone that participated in Small Business Season!

Small Business Season runs annually from November 1st- December 31st in appreciation of local small businesses and to get local residents to support their small businesses during the Holiday Season.

During this Small Business Season we were able to: Rethink the Click, Promote Small Business, and Support families as they are the brain behind our businesses.

Where you spend your money matters because without the patronage from local residents, small businesses do not always survive. Helping doesn't always mean spending money though.

Here are some way you can help support small businesses within your community without money.

- Write a review
- Refer your friends
- Share their posts on social media
- Participate in giveaways or contests

The Fleming County Chamber of Commerce would like to say a thank you to all businesses who participated in Small Business Saturday

The Fleming County Chamber of Commerce would like to wish our members a Happy New Year!

To renew your membership, you can submit your application online through our website, print and mail it to us (our address is located on the application) or come in to talk to a staff member.
