*Note from the desk of:
Executive Director,
Crystal L. McCall Ruark*

March/April 2024

Where has the last couple of months gone? You know that saying, “The older we get the faster time goes by”? Boy does that statement ever hold so much truth. It’s like we blinked and here we are already starting the 2nd week of March and from the looks of the updating calendar of events our schedules are certainly not showing any signs of letting up here at the Chamber office any time soon.

On behalf of the Chamber Board of Directors, staff and myself we would like to say, Thank You! Thank You for your investment, participation and support of the Chamber and the various programs, events and activities they we undertake on behalf of our businesses and organizations.

January, February and March have had us in the midst of our Annual Investment/Membership/ Partnership Drive and what a blessing it has been to have our seasoned businesses as well as our new entrepreneurs join and renew this year. We are here to promote and support you and your business needs and it means a lot to us that you have entrusted us to be apart of your business journey.

Our February 29th Business over Breakfast was one of the largest Membership Events we’ve held since before Covid. There were 90 in attendance that morning. We also saw Our first Connections over Coffee for 2024 as a huge success with multiple representatives from a number of businesses in attendance. I must say that as the Executive Director, who has served in this position since October 2004, words can not adequately describe how rewarding it has been to see our Veteran Members networking, forming new relationships and discussing about how they may be able to work together on various projects with our new businesses and young entrepreneurs.

The work here at the Chamber office isn’t slowing down and the remainder of this year is full of networking and training opportunities. We trust that you will continue to come out and share with us how we can better serve you. My door is always open and your Chamber Board of Directors are here to assist us in continuing to move our community forward.

***Together we can achieve positive results! Together we can make a Positive Difference!!
Because We are Better Together our community sees growth!!!***

Sincerely,
Crystal

Another Awesome Chamber Benefit

Are you participating in this program? If not, Why?

The **Fleming County Chamber Gift Check Program** is a **FREE** program to any/all Chamber Members who wish to participate in! **Chamber Gift Checks** can be redeemed at over 60 Chamber Business which are listed above towards the purchase of a Good and/or Service.

Example: If you receive \$25 in Chamber Gift Check and use it at any location above that accepts Chamber Gift Checks, then the business gets to deposit that check in their business account as if it were a personal check. The person spending/paying with the gift checks aren't out anything! It becomes a win-win situation for both parties.

Disclaimer: The Fleming County Chamber of Commerce does **NOT** profit from the Gift Checks Program. All money goes directly towards the business(es) in which the gift checks are used.

NOTE: It is our recommendation that if someone uses a Gift Check with your business and they do not use the entire amount, that you offer them a store credit/gift card for the remaining balance. This is just a recommendation as this program was designed to support local Chamber Businesses and if you are giving back change, there's no guarantee that the remaining balance will be spent locally. If someone purchases, for an example, a Walmart Gift Card they can only use that gift at Walmart and Walmart does not give back cash on monies remaining on their card. Again, this is only our recommendation. As a business owner you're free to handle the remaining balance from the gift check as you see best.
