*Note from the desk of:
Executive Director,
Crystal L. McCall Ruark*

I'd like to start this edition of our Chamber Connections by saying, Thank You. Thank you for allowing me the opportunity to service you and your businesses and organizations over the past twenty years. It has been a privilege and a pleasure to get to meet and work with so many wonderful people and to watch so many new businesses start up and to witness our seasoned businesses continue to thrive. Not everyone gets an opportunity to view such growth from this vantage point.

In the Chamber world we say, "If you been to one Chamber, you'd been to one Chamber." Because, every Chamber is unique to business industry and community to which they serve. I, for one, will be the first to say that the Fleming County Chamber of Commerce is one of the best because of our vested Members and Partners. From the support and participation you give to the programs we offer and your attendance at our FREE networking events, you make our Chamber one of the best in the state. Your support and involvement allows our Chamber to continue moving forward and extends us the opportunity to offer more services each year. Because of your investment and commitment I can not say thank you enough for allowing me to be able to serve our community in this role.

As we continue to move forward in 2025, I'd like to extend an invitation to each of you to come out and participate in as many of our programs and events as works with your schedules. My door is always open to have conversations on possible new business ventures, tours, programs or services that we may be able to offer to you, our businesses and the community as a whole. Feel free to stop by and talk with or reach out and I'll schedule a time to come by and meet with you. I have shared in the past that I truly appreciate your membership/partnerships but it is important to me that you feel like you are receiving value for your investment into the Chamber.

Haylee has filled this edition of the newsletter with multiple events and programs that will be taking place throughout March and April and the board and I do hope to see you at several of them.

If you have new products/services and/or resources that you'd like for us to share, please to not hesitate to reach out to myself or Haylee and we'll see that our membership is made aware. Whether is be job listing, change in contact information or hours of operations, special sales or program taking place at your business, maybe it's an announcement of a special award you have receive, let us help you celebrate those milestones by sharing it with our membership.

Again, thank you for allowing me to continue serving you and your business. I sincerely do appreciate having the opportunity to be an advocate for our businesses and promote our community.

*Respectfully,
Crystal L. McCall Ruark
Executive Director*

Another Awesome Chamber Benefit Are you participating in this program? If not, Why?

The **Fleming County Chamber Gift Check Program** is a **FREE** program to any/all Chamber Members who wish to participate in! **Chamber Gift Checks** can be redeemed at over 60 Chamber Business which are listed above towards the purchase of a Good and/or Service.

Example: If you receive \$25 in Chamber Gift Check and use it at any location above that accepts Chamber Gift Checks, then the business gets to deposit that check in their business account is if it were a personal check.

The person spending/paying with the gift checks aren't out anything! It becomes a win-win situation for both parties.

Disclaimer: The Fleming County Chamber of Commerce does NOT profit from the Gift Checks Program.
All money goes directly towards the business(es) in which the gift checks are used.

NOTE: It is our recommendation that if someone uses a Gift Check with your business and they do not use the entire amount, that you offer them a store credit/gift card for the remaining balance. This is just a recommendation as this program was designed to support local Chamber Businesses and if you are giving back change, there's no guarantee that the remaining balance will be spent locally. If someone purchases, for an example, a Walmart Gift Card they can only use that gift at Walmart and Walmart does not give back cash on monies remaining on their card. Again, this is only our recommendation.

As a business owner you're free to handle the remaining balance from the gift check as you see best.
